

CLINIC DAY PICTORIAL REPORT

The Health Centre successfully hosted a clinic day on Thursday the 27th August 2015. Through radio mobilization the attendance was good with over 30 people receiving medical care at the clinic. Dr. Onen Jacob Jabweli was in attendance of the clinic day. His interactions with the clients at the clinic are praised by the community as he is patient with the clients. Below are the photos;

The doctor taking a medical history of a patient suspected to be suffering from Tuberculosis.
